

Damn he all about the dollar.

Tried to give him pizza, he'd rather have a dollar.

Tried to give him freedom,

He'd rather have the dollar.

Man you won't believe,

That he never keep a dollar.

Say what happened to the dollar?

Use to be a tool that can get you too tomorrow.

now my niggas kill they black brother for the dollar,

Forgetting that the white man the core too our problem's.

Hurt cause we all choose the dollar over mama.

The dollar always find a girl with the drama.

I'm tryna find my soul they say its found in the commas.

Man that shit been a lie since it started.

Man made kings but, god made mother's.

Man made laws, but good made waters.

So think really what do you have to just offer. The dollar?
