

I flow with ease
my rhymes are smooth like antifreeze
every decision I've made so far has led me up to wanting to be a star. I write my
rhymes like Houdini does magic who says you can't teach an old dog new tricks.
my flows so loco I pull up at McDonald's get my order Togo.
I be playin games with you as I yell Marco you say polo
yea try to find me I dare you
you know you won't succeed
they say reach one teach one
I'm just the numba 1 hip hop son having all the fun
Ladies come holla at me
I guarantee you'll be pleased
